Western Nevada Development District

Associate Membership

Western Nevada Development District (WNDD) is designated as an Economic Development District (EDD) by the U.S. Economic Development Administration (EDA). WNDD has been in existence since 1984, serving the seven counties that make up the WNDD region. They include Mineral, Douglas, Carson City, Churchill, Pershing, Storey and Washoe Counties and the cities of Fernley, Fallon, Reno, Sparks and Lovelock. WNDD provides the following services to its member agencies:

- Prepares and maintains the Comprehensive Economic Development Strategy (CEDS) and its implementation working with the Board and its partners
- Provides assistance and support to local governments, public agencies and economic development organizations on their economic development activities, programs, and grant applications
- Works with member agencies in the research for grants
- Provides economic development training, education and technical assistance
- Business microloan program to small business

WNDD is a gateway for a number of federal grant opportunities, provided the projects proposed are consistent with the Comprehensive Economic Development Strategy (CEDS) goals and/or listed in the CEDS.

WNDD VISION:

The Western Nevada Development District region and its communities enjoy a vibrant, resilient and sustainable economy as a result of coordinated planning and a shared commitment for a high quality of life.
